

SIMSREE Admission Guidelines

The following are the guidelines for admissions into the Full time courses MMS and PGDM in SIMSREE:

- The application has to be done through CAP rounds under DTE. Admission into SIMSREE is done through Centralized Admission Process (CAP) through the Directorate of Technical Education, Maharashtra State website. For more details about the CAP rounds, here is the link to the information brochure for admissions in the A.Y. 2018-2019:
https://mba18.dtemaharashtra.org/mba18/admin/notifications/PG Brouchure 13_06_2018 For Web.pdf
- The forms for the admissions into the MMS and PGDBM courses at SIMSREE will be out in March/April 2019. The admissions for both the courses are taken place through the DTE. Generally an advertisement inviting applications for the MMS and PGDM full-time program is put up in the leading newspapers a month or two before the exam. However, it is advisable to keep checking the following website:
<http://dtemaharashtra.gov.in/>
- There is **no GDPI** process for admissions into both MMS/PGDBM courses in SIMSREE.
- Eligibility Criteria for Admission Process:**
The CAP round 3 cut-offs for admission in SIMSREE in the A.Y. 2018-19 through various exams are as under:

Sr. No.	Examinations	Cut-off Percentile
1.	MAH-CET	99.81(HU), 99.74 (OHU), 99.74 (PGDBM)
2.	ATMA/CAT/CMAT/MAT/XAT	99.96*

*Note:

The CET cut-off is for Open category state level students. For students outside Maharashtra, the cut-off is 99.96 %ile even when applying through CET.
