Director's Note

Dr. Shriniwas Dhure (Director)

Dear Friends,

It gives me a sense of pride and immense pleasure to endorse the work done by the Placement Cell of SIMSREE. The perseverant efforts of the cell enable the students to be industry-ready professionals and fortify their corporate interface.

The various workshops, seminars, guest lectures by eminent industrialists and job fairs that are

by the cell enable the students to develop the right skill set to enhance their employability index. Due to evolutionary changes in the corporate world, there has been an exemplary shift in the recruiting policies of the industry. Hence it's the need of the hour to create a talent pool of students by augmenting their expertise and grooming them as per the industry requirement.
